

To Our Valued Customers,

After careful consideration and in light of our Governments instruction to restrict some sectors of the business, we have had to make the extremely difficult decision to close until further notice.

We feel that this is a necessary measure in an effort to combat the spread of the covid-19 pandemic. The health and safety of our staff & the public must be our priority, above all else!

We apologise to those that may be affected by our decision to do so and we hope that you understand. Our thoughts and well wishes are with you all during this trying time.

Be safe, stay in, and take care.

Yours Sincerely,

Marie Tynan
